REQUESTS FOR CLARIFICATION

1) QUERY 1:

In preparing our submission, we would appreciate any guidance you can provide on the indicative budget range allocated for this consultancy. This information will assist us in appropriately aligning our technical and financial proposal with the expectations and scope of the assignment. Additionally, I would like to inquire whether there is any possibility of a short extension to the submission deadline.

RESPONSE:

1. The budget was not disclosed to allow applicants flexibility to propose a financial plan that best reflects their technical approach. While the BCRC-Caribbean is open to negotiating with the shortlisted bidder, please note that we are working within a budget range of \$70,000 to \$85,000 USD for professional fees and reimbursable expenses.
2. The submission deadline will be extended to 11:59 pm (GMT-4) 2nd April 2026.
