(The Bahamas, Cuba and Dominica)

Environmentally Sound Disposal of Hazardous Waste Stockpiles in Cuba

(Reference Number: BCRC#10472_2026_001)

DOCUMENTATION OF CLARIFICATIONS AND ADDITIONAL INFORMATION

Published on November 05, 2026

Last Updated on November 06, 2026

The following information is provided as a response to requests for clarification on the Call for Proposals for the above-mentioned consultancy. This document will be updated as needed.

Question 1:

Given the current geopolitical situation impacting shipping logistics, we would greatly appreciate an extension of the submission deadline by at least three weeks to allow us sufficient time to gather all required documentation.

Response 1:

The BCRC-Caribbean has provided an extension to the submission deadline for proposals. The revised submission deadline is **Sunday 03 January 2027 at 11:59 P.M. (GMT-4).**

Question 2:

We would like to ask if visiting the project country and the sites is possible?

Response 2:

In accordance with *Section 14: Application Procedures* of the Terms of Reference (ToR) (Reference Number: BCRC#10472_2026_001), bidders are able to visit one or more sites within the country during the bidding phase ***at your own expense***. We kindly ask that you notify the BCRC-Caribbean if you plan to visit the country and sites.

Question 3:

Could you please consider extending the deadline further to 08/01/2027 instead of 03/01/2027? Most companies are closed for the Christmas and end-of-year holidays from 26/12/2026 through 03/01/2027.?

Response 3:

The BCRC-Caribbean has provided an extension to the submission deadline for proposals. The revised submission deadline is **Sunday 10 January 2027 at 11:59 P.M. (GMT-4).**
